

SCCF Adopt-A-Nest Application Form

The Sanibel-Captiva Conservation Foundation (a 501 (c) (3), not-for-profit organization) is committed to the protection of sea turtles which nest on our beaches. By adopting a nest, you are helping these wonderful creatures survive. Your tax-deductible contribution will help defray the costs of the Sea Turtle Research & Monitoring Program.

When your request and payment are received, you will receive a sea turtle t-shirt (if you wish one), a magnet with the sea turtle program logo and a receipt for your tax-free contribution (less the fair market value of the shirt). As the nests begin to hatch, usually in early July, and statistics are recorded, you will receive a certificate reporting the results of the nest selected for you.
